Sub: - Gurukulam - Regularization of Non – Teaching Staff working on contract basis in A.P. Tribal Welfare Residential Educational Institutions Society (Gurukulam) Institutions – Reg.

-X-

Regularizing the services of 920 (STs 651, SCs 101, BCs 132, OCs 36) Contract Non – Teaching employees has been under consideration of the Govt. since a long time. These have been working with Gurukulams located mostly in Scheduled Areas and a few in non – scheduled areas, but all these are serving the needs of STs exclusively. All the incumbents are working against regular posts for the last 10 to more than 20 years and hence there is provision in the regular budgets of Gurukulam.

Hence, I request you to consider with utmost sympathy and regularize them, as was done in case of contract Resident Teachers working in Gurukulam Institutions.

Thanking you,

M. K. Phani
